- Lackland uses a matching Reception Condition in order to prepare for the arrival of evacuees
- Each condition initiates preparatory actions appropriate to that stage of readiness

Tropical Cyclone Condition 4

- When Navy goes to Tropical Cyclone Condition 4 (possible destructive winds in 72 hours), Lackland enters Reception Condition 4
- Lackland reviews procedures and begins preparatory actions for possible evacuation

Reception Condition 4

- Convene CAT and direct each unit to review applicable checklists to support this appendix. (TRW/CC)
- Direct meeting of key players to review procedures and capabilities, designate shelters to be utilized. (TRW/CC)
- Coordinate spaces available at installations around the local area. (SVD)
- Review checklists and procedures (All)
- Ensure key assets are available for relocation support. (All)

Tropical Cyclone Condition 3

- When Navy goes to Tropical Cyclone Condition 3 (possible destructive winds in 48 hours), Lackland enters Reception Condition 3
- Lackland begins next level of preparatory actions for possible evacuation (physically begins setup)
- Arrival of Navy ADVON team

Reception Condition 3

- Emergency Reception Center will be established, Bldg 5506, Arnold Hall. (MSG/CC/SVD)
- Prepare for and receive supported base's ADVON team. (TRW/CC/CEX)
- Coordinate traffic control to the ERC and parking plan for all evacuees. (SFS)
- Determine status of resources for all shelters. (ALL)
- Designate a holding area for POVs and GOVs. (SFS/LRS)
- Provide additional transportation as required, to include a shuttle schedule for evacuees and equipment for moving supplies. (LRS)
- Prepare to receive evacuating aircraft if such support is requested. (OSS)
- Determine location of feeding facilities. (SVD)

Tropical Cyclone Condition 2

- When Navy goes to Tropical Cyclone Condition 2 (possible destructive winds in 24 hours) Lackland enters Reception Condition 2.
- Lackland completes preparatory actions and is prepared to receive evacuees.
- Note: Navy personnel do not evacuate until directed to do so.

Reception Condition 2

- Direct authorized evacuees to the ERC. (SFS)
- Direct unauthorized evacuees to Bexar County area shelters, through Red Cross. (SFS)
- Shelter families and single persons in RH&Ts or other shelters. Consider special need families when assigning lodging. (SVD)
- Designate two classrooms at Arnold Hall for Chaplain comfort rooms. (SVD)

Tropical Cyclone Condition 1

- When Navy goes to Tropical Cyclone Condition 1 (possible destructive winds in 12 hours), Lackland enters Reception Condition 1
- Lackland has completed all actions

Reception Condition 1

- Maintain accountability for all unattached evacuee personnel not associated with Navy or Coast Guard.
(MSS)
